AT2605-DTV:

La TV LCD Acer AT2605-DTV est disponible auprès des fournisseurs Acer habituels. Ce modèle se distingue par les dernières technologies pour écran plat, d'où une qualité remarquable à un prix abordable.

AT3205-DTV:

Avec l'arrivée de la TVHD, les signaux de télévision sont désormais virtuellement exempts de toute interférence. La qualité du son et de l'image sont à l'avenant : proches de la perfection. La TV numérique Acer AT3205-DTV intègre cette technologie révolutionnaire et vous offre, dès aujourd'hui, la télévision de demain !

AT3705-MG:

Acer fait un bond en avant grâce à l'introduction du nouvel Acer AT3705-MG: une fusion de couleurs parfaitement maîtrisée, un rendu haute définition, une interface particulièrement conviviale et un potentiel en matière de loisirs numériques pratiquement illimité grâce au puissant Gateway enchâssé dans cette TV LCD à écran élargi et au design particulièrement soigné. Proposé à un prix très compétitif et largement équipé, l'Acer AT3705-MG constitue le moyen idéal pour tirer toute la quintessence de son installation home cinéma.

AT4250-DTV:

Avec l'avènement de la nouvelle télévision numérique haute définition, les signaux TV sont désormais virtuellement dépourvus d'interférences avec, à la clé, une fantastique amélioration de la qualité de l'image, combinée à la pureté du son naturel. L'Acer AT4250-DTV intègre cette technologie révolutionnaire et propose, dès aujourd'hui, la qualité numérique de demain. Avec l'Acer AT4250-DTV, la TV est désormais synonyme de perfection.
