VSK-2000
New Solution Series

Value Meets Versatility.

Stretch your dollar further with the VSK-2000, the newest addition to Antec's award-winning New Solution Series. The VSK-2000 is designed to give you more bang for your buck, with features like a perforated front bezel for better air intake, convenient front-loaded HDD cages, and TAC 2.0 compliance for superior CPU and graphics cards cooling. And with up to three 120mm cooling fans and an astounding ten drive bays, the VSK-2000 gives you all of the features you want in a case. So when it comes to your home or office, don't compromise. Get value and versatility with Antec's VSK-2000.
