2. TROUBLESHOOTING

If you experience problems after installing your new speakers, refer to the following information.

1. No sound - check the stereo mini-plug connection and turn connector slightly to ensure proper contact. Make sure that the USB plug is plugged in properly. Refer to the systems manuals for these products to find the line out, and for information on adjusting line out volume. Also, make sure sound is coming from your audio unit.
2. Sound is too high/low - adjust the volume on the audio unit. Also adjust the volume on the speakers.
3. Sound cuts out - check all connections to ensure proper contact. Unplug the USB Power and restart your Media Program. Adjust the volume settings on your Media Program. If this does not work, restart the computer.
4. Buzzing - check stereo mini-plug connection and turn connectors slightly to ensure proper contact.
5. Howling/feedback - turn down the volume or move the speakers further away from your microphone. You can also turn off your microphone. To do this, refer to the documentation that comes with your PC or audio unit.

3. WARRANTY INFORMATION

Manufacturer will repair or replace this product with new or rebuilt parts, free of charge, in the USA or Puerto Rico, in the event of a defect in materials or workmanship for a period of one year from the date of purchase.

This warranty is extended only to the original purchaser. A purchase receipt or other proof of date of original purchase will be required before warranty performance is rendered. If this product is found to be defective, return this product in its **original package** to the **original place of purchase**.

This limited warranty only covers failures due to defects in materials or workmanship, which occur during normal use. It does not cover damage, which occurs in shipment or handling, or failures, caused by products not supplied by Manufacturer. It does not cover failures which result from accident, misuse, abuse, neglect, mishandling, misapplication, faulty installation, set-up adjustments, improper maintenance, alteration, modification, tampering, negligence, lack of reasonable care, maladjustment of consumer controls, line power surge, acts of God, or repair or service by anyone other than a service facility authorized by Manufacturer. This warranty will be void if the model or serial number has been altered, tampered with, defaced or removed.

There are no express warranties except as listed above.

THE DURATION OF ANY IMPLIED WARRANTIES INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY, IS LIMITED TO THE DURATION OF THE EXPRESS WARRANTY HEREIN. MANUFACTURER SHALL NOT BE LIABLE FOR THE LOSS OF USE OF THE PRODUCT, INCONVENIENCE, LOSS OR ANY OTHER DAMAGES, WHETHER DIRECT, INCIDENTAL, OR CONSEQUENTIAL INCLUDING, WITHOUT LIMITATION, DAMAGE TO OTHER EQUIPMENT RESULTING FROM THE USE OF THIS PRODUCT, OR ARISING OUT OF ANY BREACH OF THIS WARRANTY. ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE, ARE LIMITED TO THE WARRANTY PERIOD SET FORTH ABOVE.

Some states do not allow the exclusion of incidental or consequential damages or limitations on how long the implied warranty lasts, so these limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary, from state to state.
