Thanks for buying a BISSELL PowerFresh™ Steam Mop

We're glad you purchased a BISSELL PowerFresh™ Steam Mop. Everything we know about floor care went into the design and construction of this complete, high-tech home cleaning system.

Your BISSELL PowerFresh Steam Mop is well made, and we back it with a limited two-year warranty. We also stand behind it with a knowledgeable, dedicated Consumer Care department, so, should you ever have a problem, you'll receive fast, considerate assistance.

My great-grandfather invented the floor sweeper in 1876. Today, BISSELL is a global leader in the design, manufacture, and service of high quality homecare products like your BISSELL PowerFresh Steam Mop.

Thanks again, from all of us at BISSELL.

Mark J. Bissell
Chairman & CEO

IMPORTANT SAFETY INSTRUCTIONS

When using an electrical appliance, basic precautions should be observed, including the following:

Read all instructions before using your PowerFresh Steam Mop.

WARNING: To

reduce the risk of fire, electric shock, or injury:

- Do not direct steam at people, animals, or at electrical outlets.
- Do not expose to rain.
- Store indoors.
- Unplug from outlet when not in use and before conducting maintenance or troubleshooting.
- Do not leave steam cleaner unattended.
- Do not expose hair, loose clothing, fingers or body parts to openings or moving parts.
- Do not service steam cleaner when it is plugged in.
- Do not handle steam cleaner with wet hands.
- Do not use steam cleaner if it has been dropped, damaged, left outdoors or dropped into water, return it to a service center.
- Do not pull or carry by cord, use cord as a handle, close door on cord, pull cord around sharp corners or edges, or expose cord to heated surfaces.
- Do not unplug by pulling on cord.
- Do not use appliance in an enclosed space filled with vapor given off by oil-base paint, paint thinner, some moth proofing substances, flammable dust, or other explosive or toxic vapors.
- Do not allow to be used as a toy.
- Do not use on leather, wax polished furniture or floors, synthetic fabrics, velvet or other delicate, steam-sensitive materials.
- Do not immerse.
- Not for space heating purposes
- Do not use for any purpose other than described in this User's Guide.
- Use only manufacturer's recommended attachments – use of attachments not provided or sold by BISSELL may cause fire, electric shock or injury.

- Never put descaling, aromatic, alcoholic or detergent products into the steam cleaner, as this may damage it or make it unsafe for use.
- Unplug by grasping the plug, not the cord.
- Close attention is necessary when used by or near children.

SAVE THESE INSTRUCTIONS

Commercial use of this unit void the manufacturer's warranty.

THIS APPLIANCE HAS A POLARIZED PLUG.

To reduce the risk of electric shock, this appliance has a polarized plug (one blade is wider than the other) This plug will fit in a polarized outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install a proper outlet. Do not change the plug in any way.

This model is for household use only.

Optional Accessories:

Washable Microfiber Mop Pads with Microban® Antimicrobial Product Protection (2-pack)

Removable & Washable Easy Scrubber

Spring Breeze Fragrance Discs Replacement Pack (2-pack)

Assembly

Your PowerFresh™ Steam Mop assembles quickly and easily. It is packaged with the following items:

Handle Assembly with one screw

Lower Body

Maneuverable Mop Head

Removable Water Tank

**Removable Easy Scrubber
(attached to mop head)**

2 - PowerFresh™ Steam Mop Pads

2 - Spring Breeze Fragrance Discs

1. Attach lower body to mop head by snapping it into place.
2. Slide handle assembly down and screw until tightened.

PowerFresh Steam Mop assembly is now complete.

Removable Water Tank

2 PowerFresh Steam Mop Pads

1

2

Special features

Removable water tank

The water tank is located on the top of the PowerFresh™ Steam Mop. It can be refilled with water any time during use. Distilled or demineralized water is recommended in place of tap water.

Do not use chemicals in the water tank of your PowerFresh Steam Mop.

SmartSet™ Steam Control

(Low, Medium, High)

SmartSet™ Steam Control indicator light will stop blinking when PowerFresh™ Steam Mop is ready to use. Then press the Steam Level button to choose the level of steam you desire.

Microfiber Mop Pads with Microban® Antimicrobial Product Protection

Reusable microfiber mop pads are machine washable and safe for virtually all hard floor surfaces. Your PowerFresh may have come with two different pads. The white microfiber pad is best for everyday use on delicate flooring like sealed hardwoods and laminate. The gray and white striped pad can be used for scrubbing heavily soiled floors and cleaning tougher messes. The Microban® Antimicrobial Product Protection fights odor causing bacteria for a fresher and cleaner mop pad.

Removable Easy Scrubber

Quickly clean sticky messes by pressing the Easy Scrubber with your foot and locking it into position. Clean grout and crevices easily with this effective tool.

Tip:

Do not attempt to use your PowerFresh Steam Mop without water in the tank. You may hear a knocking sound indicating there is no water.

Operations

Getting ready

The mop pad may have already come attached to the mop head, if not follow steps 1A and 1B below.

1. Add Freshening Disc and Attach Mop Pad
 - A. Insert Spring Breeze Freshening Disc into pocket inside mop pad. Use the whole disc for a refreshing scent or cut in half for a lighter scent.
 - B. Set mop head in mop pad, making sure quick-grip release tab is located on the back.
2. Fill the water tank
 - A. Remove tank by lifting straight up and away from unit.
 - B. Unscrew cap at bottom of water tank.
 - C. Fill water tank with water. For best results, water should be at room temperature.
 - D. Replace the cap, tighten until snug.
 - E. Replace water tank by gently sliding tank into place and press down firmly.
3. Twist the Quick Release™ cord wrap clockwise to unwrap the power cord completely and plug into a 120-Volt outlet as described on the **Important Safety Instructions**, page 3.
4. SmartSet™ Steam Select Indicator light will glow when PowerFresh Steam Mop is ready to use. Press the Steam Level button to choose the level of steam you desire.

NOTE: Upon first use of the PowerFresh™ Steam Mop or first use after refilling the water tank, the pump may make a "knocking" sound. This is normal and should only last a few seconds.

2B

Tip:

Use of distilled water is recommended to prolong the life of your PowerFresh Steam Mop.

Operations

Before you clean

Thoroughly sweep or vacuum floor prior to cleaning with the PowerFresh™ Steam Mop.

Cleaning hard floors

Your PowerFresh™ Steam Mop is designed to clean hard flooring such as ceramic tile, vinyl, laminate, marble, stone and sealed hard wood floors. Use of your PowerFresh Steam Mop on waxed or some unwaxed floors may result in a diminished glossiness. The PowerFresh Steam Mop is not for use on unsealed wood floors. For best results test in an inconspicuous area and check the care instructions from your flooring manufacturer.

1. Plug the unit in and wait 30 seconds for it to heat up. Choose the level of steam to clean your floor: Low (delicate floors), Medium (regular cleaning), High (durable floors or sticky messes). Begin cleaning by slowly passing the unit over the floor surface.
2. To sanitize an area of your floor, (attack invisible germs and bacteria) place the PowerFresh Steam Mop over the spot for a minimum 15 seconds using continuous steam, but no longer than 20 seconds using continuous steam. For larger areas, overlap swivel head placement.
3. Use your foot to press and lock the Easy Scrubber brush to thoroughly clean grout, crevices and sticky messes. Slowly move the brushes over the sticky mess or grout to remove.
4. When the PowerFresh™ Steam Mop stops emitting steam, unplug the unit. Simply remove the water tank, refill, and continue cleaning.

Carpet Refresher Attachment

This accessory is recommended for the refreshing of carpets. Once the steam mop is cradled in the carpet refresher attachment, it will easily glide over the carpet.

NOTE: Always be sure a mop pad is in place before placing in carpet refresher attachment. Only white mop pads should be used with the carpet attachment. Do not use carpet attachment on spots or stains, or glide it over the same spot for no longer than 20 seconds.

WARNING:

Never put descaling, alcoholic, or detergent products into the steam cleaner, as this may damage it or make it unsafe for use.

WARNING:

Tinted plates on foot may get hot while steam mop is in use. Do not touch while hot.

Operations

Carpet Refresher Attachment cont

1. Place the swivel mop head, with mop pad attached, in the carpet refresher attachment.

NOTE: The PowerFresh™ Steam Mop rests in the carpet refresher attachment and may not stay attached to the swivel mop head. It is meant to glide over the carpet.

2. Fill the water tank with water. Begin refreshing your carpet or rug by pushing the PowerFresh™ Steam Mop in a forward and backward motion, releasing steam as you go.
3. When you have finished refreshing your carpet or rug, unplug the steam mop and remove from the carpet or rug.

NOTE: Move the PowerFresh™ Steam Mop and carpet refresher attachment in a continuous motion until you are finished. This product is not intended to be used as a carpet cleaner, only a carpet refresher or deodorizer. Never attempt to use the PowerFresh™ Steam Mop on carpet without the carpet refresher attachment in place. DO NOT leave the mop in a stationary position.

Maintenance and care

When you're done

1. Unplug power cord from outlet.
2. Carefully remove the mop pad using the Quick Release™ tab from the mop head. The mop pad and lower assembly may be hot. Remove Spring Breeze Freshening Disc from mop pad.
3. Any water remaining in the water tank should be emptied prior to machine storage.
4. Mop pad can be machine washed in warm water. Use only liquid detergents. Do not use fabric softeners or bleach. For best results, air dry.
5. Wrap power cord around quick release cord wrap on back of PowerFresh™ Steam Mop.
6. Wipe all surfaces of PowerFresh™ Steam Mop with a soft cloth. Store upright in a protected, dry area.

CAUTION:

Upright storage of the PowerFresh Steam Mop with a wet mop pad may result in the formation of white marks on your floor. To remove the white marks, clean area with vinegar.

Troubleshooting

Reduced steam or no steam.

Possible Causes

1. Water tank empty
2. Steam level not selected

Remedies

1. Fill tank
2. Select steam level by pushing steam level button.

Other maintenance or service not included in the manual should be performed by an authorized service representative.

Warranty

This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state. If you need additional instruction regarding this warranty or have questions regarding what it may cover, please contact BISSELL Consumer Care by E-mail, telephone, or regular mail as described below.

Limited Two-Year Warranty

Subject to the *EXCEPTIONS AND EXCLUSIONS identified below, upon receipt of the product BISSELL will repair or replace (with new or remanufactured components or products), at BISSELL's option, free of charge from the date of purchase by the original purchaser, for two year any defective or malfunctioning part.

See information below on "If your BISSELL product should require service".

This warranty applies to product used for personal, and not commercial or rental service. This warranty does not apply to routine maintenance components such as mop pads. Damage or malfunction caused by negligence, abuse, neglect, unauthorized repair, or any other use not in accordance with the product's use instructions is not covered.

If your BISSELL product should require service:

Contact BISSELL Consumer Care to locate a BISSELL Authorized Service Center in your area.

If you need information about repairs or replacement parts, or if you have questions about your warranty, contact BISSELL Consumer Care.
