

EZ Wheel  
For Wii™

Model: BHEZ50

## INSTRUCTION MANUAL

Thank you for purchasing this Blockhead EZ Wheel for Wii™. We hope you enjoy it. For your personal safety and for the safety of others, please carefully read this instruction manual as well as the instruction manuals that came with your game consoles and games.

### PRECAUTIONS

Some medical studies have suggested that long periods of repetitive motion, coupled with poor habits may be linked to certain types of physical discomfort or injuries. It is important to take frequent breaks during game play, and if you feel aching, numbness, or tingling in your arms, wrists, or hands, consult a qualified health professional.

- Use this racing wheel only as instructed. Read all instructions before operating racing wheel.
- To prevent fire or shock hazard, do not expose this racing wheel to rain or moisture.
- Do not disassemble. Refer to qualified personnel only.
- This racing wheel should only be operated from the power source indicated in these directions or on the racing wheel.
- Never push objects of any kind, other than authorized items, into the product as they may touch dangerous voltage points or short out parts that could result in fire or electrical shock.
- Failure to follow these directions may violate the warranty.
