PLAY STORY

MUSIC GAME

At the center of the top screen is a smiley face with a pinwheel behind it. The pinwheel rotates to catch the melody lines from the East High musical vocals. Move the **stylus** around the **Touch Screen** to rotate the pinwheel.

Disney High School Musical 3: Senior Year has two main modes of gameplay: Music Game and Quiz. Both modes award collectibles for you to build your own Wildcat yearbook.

When you select Play Story, you will be taken to the Game Board; move left or right with the **stylus**. Pick an icon from the Game Board to start a Music Game or Quiz. You will unlock new songs and quizzes only after you play through the previous Music Game or Quiz.

Watch for melody lines coming in from the edges of the top screen. Line up the pinwheel to catch the melody lines as they head towards the smiley face. When the smiley face is smiling and the pinwheel is green, you're scoring points. When the smiley face is red and frowning, you're not lined up with the melody lines...no points!

In the more advanced Varsity Mode and in All-Star Mode, a button press (any button besides the **L** or **R Button**) must be combined with the pinwheel to play the notes being sung as they approach the center of the screen. The **+Control Pad** can be used for right-handed players, and the face buttons can be used for left-handed players.

At the end of each song, you'll be rated between one and five stars. You'll need at least three stars to move to the next game. You must graduate from either Jr. Varsity or Varsity levels before you can play in All-Star mode, where you must earn 5-stars on each song in order to advance to the next game.

Take a Photo

Press the **L** or **R Button** at any time to take a photo for the yearbook. Take as many photos as you like, but remember you can only keep the last one you took!

HINT: Earn DGamer™ Honors by getting good shots of the Wildcats in various outfits.

QUIZZES

Answer the series of questions that appear on the Top Screen by checking off your answer on the **Touch Screen** with your **stylus** or by pressing the **A** or **B Button**. Find out which Wildcat you would be best friends with and unlock items for your yearbook.

MINI-GAMES

During your Music Game, fun mini-games will appear without notice. Keep your head in the game!

Mini-Game: Basketball Tap

The smiley face releases basketballs to five hoops. Tap the basketballs just as they reach the hoop to gain points.

Mini-Game: Spinning Flower Bubble Catch

The smiley face releases colored bubbles. Spin the flower to catch the bubble with the same colored trap at the end of the petal.

Mini-Game: Melody Dropper

The smiley face drops green orbs. Tap the orb as the pink outer ring turns green.

EAST HIGH

YEARBOOK

Music Games and Quizzes unlock autographs, photos and memorabilia for you to build your very own East High Yearbook. Rotate your DS sideways to see the yearbook. A star next to a senior page indicates you've scored a new item!
