

# LT-46131

# 1080p LCD Flat Panel HDTV

Model:  
LT-46131

LT-46131 Shown  
Silver/Black

## Overview

The LT-46131 LCD Flat Panel HDTV combines slim, sleek flat panel styling together with the ultimate in picture performance. This 46" 1080p HDTV delivers over two million pixels, the highest high definition resolution available, producing razor sharp images. It also features Full Spectrum Color™ which generates 25% more color than standard LCD panels. And High Contrast Picture creates a picture with deeper blacks and richer dark scene details by dynamically matching the brightness of the TV backlight to that of the on-screen image. Mitsubishi's all-new digital signal processing system includes Plush1080p® for precise de-interlacing and upconversion to 1080p, 4D Video Noise Reduction for smooth yet detailed images, and Tru1080p™ for processing the highest resolution HDTV signals in their native format.

This 46" HDTV includes two HDMI™ inputs, an IEEE 1394 interface, along with DVI-I and component inputs that provide connection to almost any HD component. ClearThought® Easy Connect makes set-up so easy by recognizing when a component is connected. The Mitsubishi LT-46131 comes on a swivel base.

## Get the Perfect Picture Every Time

- 1080p LCD Flat Panel Display
- High Contrast Picture
- Full Spectrum Color™
- Plush1080p®
- 4D Video Noise Reduction
- Tru1080p™ Processing
- PerfectColor™

## Watch TV Your Way

- Digital Cable Ready HDTV with CableCARD™ Slot
- ClearThought® Easy Connect
- 2 HDMI™ Inputs
- PC DVI-I Input
- 2 Component Inputs
- Rear IEEE 1394
- Partially-Illuminated Remote

Descriptions and specifications subject to change without notice. The dimensions are approximate for general information when deciding the locations and placements of the product. When creating a custom-built environment for this product, please take exact measurements from the specific unit to be installed before doing any finished carpentry. When installing the unit, allow for air circulation, ventilation, and variations due to manufacturing tolerances. The cosmetic appearance of the product may vary from that depicted here.
