## HEAVY-DUTY B3NCH™ 10" DUAL BEVEL SLIDING COMPOUND MITER SAW

The JET® B3NCH 10" dual bevel sliding compound miter saw is precise enough for all your home projects and portable enough to take with you when you need a great saw on the job. With dual bevel capacities of 0°, 33.9°, and 45° left and right, a quick cam miter lock, our Innovative Green XACTA Laser™, the high performance laser system Exclusively from JET® that projects an accurate, high-visibility guide line for precision cuts, even outdoors, and a powerful 15 amp, 4800 RPM motor, this saw is the right choice for any job.

### PORTABLE

- Multiple rubber-grip carrying handles allow for convenient portability
- Lightweight die cast aluminum design for easy transport
- Versatile base can mount to a stand or workbench

### POWERFUL

- Heavy-Duty 15 Amp motor for various cutting applications
- Die cast aluminum table for long-lasting durability
- Holddown clamp ensures an accurate cut by stabilizing the workpiece
- Oversized, ergonomic knobs provide ease of use and maximum control

### PRECISE

- Innovative Green XACTA Laser™ provides high visibility for precision cutting
- Up-front controls for safety and ease of use
- Dual bevel capability allows you to angle and stop at 0°, 33.9°, and 45° left and right
- Quick cam miter lock conveniently adjusts and stops at 10 detents: 0°, 15°, 22.5°, 31.6°, 45° left and right and 60° right
- Ergonomic, D-shaped, over-molded handle for maximum control during cutting applications
- Easy-slide fence extends further to support the workpiece on both sides

- A.** Innovative Green XACTA Laser™
- B.** Upfront controls
- C.** Dual bevel capability
- D.** Quick cam miter lock conveniently adjusts and stops at 10 detents
