# Kingston DataTraveler 112

kingston.com/flash

## PRODUCT DISCONTINUED - FOR INFORMATION ONLY

### Portable storage made fun and colorful.

Kingston's family of convenient, compact and reliable DataTraveler® USB Flash drives just got more colorful with the addition of the DataTraveler 112.

Make storage effortless and fun with the new lightweight and affordable DataTraveler 112. In capacities up to 32GB, DataTraveler 112 contains room for about any document, from term papers and theses to digital images, spreadsheets or other important documents. The new DataTraveler 112 is compact, with a variety of stylish two-tone colors and a capless design, which means it's ideal for backpack or briefcase.

DataTraveler 112 is also a great promotional item for businesses; your company logo can appear on it to increase your brand recognition[1].

DataTraveler 112 is backed by legendary Kingston® reliability plus a five-year warranty and 24/7 tech support.
