**LG LRM-519 Digital Media Recorder** is a versatile component that has features like a digital video recorder, DVD player, DVD recorder or a systems integration central command station. LRM-519 brings advanced recording and playback features for your living-room audio and video entertainment. This ultra-slim (2.3") DVD recorder is equipped with an internal 160GB Hard Disk Drive (HDD) and provides you two convenient recording choices.

You can now record your video projects either on the hard disk or on the DVD discs (DVD-R, DVD-RW, DVD+R, DVD+RW and DVD+R Double layer). The LRM-519 is also a player; use it for DVD-Video, DVD-R, DVD-RW, DVD+R, DVD+RW, CD-Audio, Video CD, CD-R, CD-RW playback. This DVD recorder allows playback of MP3, WMA files and JPEG pictures recorded in CD-R, CD-RW discs. LRM-519 features Microsoft Program Guide that allows access to 14 days of satellite, cable and terrestrial guide listings.

LRM-519 has several outstanding features such as replay last seven seconds of live TV, moving (via Ethernet and USB ports) and sharing content with PCs (Windows XP or Windows XP Media center based). LRM-519's hard disk can store about 160 hours of video content, depending on the quality (Good, Better, Best) you choose. This DVD recorder has a component video output for connection to a progressive scan compatible television. For your convenience, this recorder has DVD file management and editing feature such as auto chapter marking or title name editing.

## Key Features

- **Recordable DVD Media and Hard Disk**

Record your favorite video content either on the hard disk or on the DVD discs (DVD-R, DVD-RW, DVD+R, DVD+RW, DVD+R Double Layer). This DVD recorder is equipped with a hard disk drive (HDD) for larger recording capacity. Add additional storage to the recorder by attaching a USB drive.

- **160GB Hard Disk Drive**

Don't worry for capacity! Record your favorite program in the HDD that can store up to 160 hours of programming. The recording time depends on the recording quality that you choose. Your options are: Good, Better and the Best (choose one).

- **Microsoft Program Guide**

LRM-519 provides you the benefits of accessing Microsoft Program Guide. This subscription-based service enables you to enjoy all the features of this recorder. In particular, you can access two weeks of TV listings, search for an upcoming show or record a TV series. Recording is also very easy - just press the REC on the remote after selecting the show in the Guide or Mini-Guide.
