

LT-46131

1080p LCD Flat Panel HDTV

Models:
LT-46131

Preliminary Specifications

LT-46131 Shown
Silver

Overview

The LT-46131 LCD Flat Panel HDTV offers 1080p performance. Mitsubishi's Full Spectrum Color™ technology produces 25% more color than that of standard LCDs for more intense, more vivid images.

The picture is enhanced by an all-new digital signal processing system which includes Plush1080p™ for precise deinterlacing and upconversion to 1080p, 4D Video Noise Reduction for smooth yet detailed images, and Tru1080p™ for processing the highest resolution HDTV signals in their native format.

This 46" HDTV includes two HDMI™ inputs, an IEEE 1394 interface, DVI-I and component inputs that provide connection to almost any HD component. And ClearThought® Easy Connect makes set-up so easy by recognizing when a component is connected.

Get the Perfect Picture Every Time

- 1920 x 1080 Pixel Resolution
- Full Spectrum Color™
- Plush1080p™
- 4D Video Noise Reduction
- Tru1080p™ Processing
- PerfectColor™

Watch TV Your Way

- Integrated One-Piece Design
- Digital Cable Ready HDTV with CableCARD™ Slot
- ClearThought® Easy Connect
- 2 HDMI™ Inputs
- PC DVI-I Input
- 2 Component Inputs
- Rear IEEE 1394

Descriptions and specifications subject to change without notice. The dimensions are approximate and are for general information when deciding the location and placement of the product. When creating a custom-built environment for this product, please take exact measurements from the specific unit to be installed before doing any finished carpentry. When installing the unit, allow for air circulation, ventilation, and variations due to manufacturing tolerances. The cosmetic appearance of the product may vary from that depicted here.
