Individual e-mail services

Using the e-mail services

Kyushu Matsushita Electric Co., Ltd. (hereafter called "KME") offers individual information services, such as e-mail.

Your fax machine with e-mail features will enable you to send an e-mail to another party's personal computer (PC) or another e-mail fax machine anywhere in the world through the Internet. Also, you will be able to receive an e-mail from them.

To access the Internet using your fax machine,

- you need a credit card (VISA, JCB or MASTER as of February 2002) and
- have to subscribe to individual information services offered by KME beforehand.

The application fee including call charges will be charged to your Credit Card.

Important:

- If your fax machine is connected to a home telephone system or a private branch exchange (PBX) system, these services are not available.

Application fee and call charges

KME information services	Registration fee	¥500
	Information Service fee (Call charge included)	¥20/minute (8 am-11 pm) ¥18.5/minute (11 pm-8 am)

- As of February 2002.
- Tax not included.
