Highlights

Announces 10-digit number

An audible announcement that eliminates having to glance at the small caller ID screen on either your phone or the caller ID unit.

Bi-lingual announcements

Switch to English or Spanish at the touch of two buttons.

3-line LCD display

A visual display of the caller's name, phone number, date and time the call was placed.

Record Personalized Messages

The ability to record messages specific to the caller. The message is triggered by the caller's incoming phone number.

Personalized announcements

The ability to change the incoming caller's 10-digit number to a familiar name.

Lead-free construction

Lead-free construction of environmentally friendly materials.

Stores 99 calls for review

A visual announcement that holds calling information in memory until the user is ready to retrieve them.
