## NEW USBC DUES STRUCTURE ON THE HORIZON

Changes to help fund current, new programs to help bowling grow

GREENDALE, Wis.—So that it can maintain current programs and services and be able to develop new ones to benefit its members and the sport overall, the United States Bowling Congress will be enacting a new national dues structure for the 2006-07 season.

National adult dues will move from \$8 to \$10, while once approved, national youth dues will go from \$8.50 to \$9.50. The new adult dues already have been approved by the USBC Board, while the new youth dues, recommended by the USBC Youth Committee, will be voted on by the USBC Board in April.

The new adult dues structure will go into effect with summer leagues that start after March 15 and for any members joining USBC and purchasing a 2006-07 membership after that date. If the USBC Board approves the new youth dues, they go into effect Aug. 1.

"This decision emphasizes the new direction of needing to use all of our revenue sources to help develop new programs and grow the sport," said USBC Chief Executive Officer Roger Dalkin. "While it is important to make sure USBC members continue benefiting directly from our programs and services, we also need to balance that with the need to create programs that help youth, grow the sport, support research and generally do what is right for bowling."

Increased non-dues revenue has helped provide nearly \$10 of service to each member for what currently is an \$8 membership. The new dues structure will allow USBC to continue to serve members well plus fund such betterment of the sport programs like coaching, high school, collegiate, Team USA and equipment testing.

"The old philosophy of our parent organizations (American Bowling Congress, Women's International Bowling Congress, Young American Bowling Alliance and USA Bowling) of charging just what it costs to serve our members was not a solid value equation," Dalkin said. "If you can't improve your sport, provide help when necessary or generally support worthy projects, then your organization has little value to the bigger picture of bowling. I don't think that is what our members want for USBC."

This will be the first change in adult national dues in six years and the first in youth national dues in seven years. Local associations have the option of increasing local dues up to \$10 to fund local programs.

The new dues structure also will help USBC address what is expected to be a \$5 million budget deficit in the 2005-06 season. That still is a \$3 million savings from the more than \$8 million projected deficit that would have occurred had ABC, WIBC, YABA and USA Bowling remained separate. These savings were largely obtained through consolidation of the administrative costs to fund governance of the merging organizations. Reducing the number of board members and eliminating executive level management positions and other duplications like the conventions and rules and by-laws books also were contributing factors.

Some of the savings were utilized for the development of a marketing/sponsorship area, enhanced public relations efforts and other new initiatives. The results have been dramatic with major articles in national publications, big increases in bowl.com visits, the publication of one of the country's largest circulation sports magazines, US Bowler, monthly e-mail blasts to both members and volunteers, increased advertising sales, Web seminars and multiple airings of USBC's public service announcement. This has resulted in more people than ever being aware of bowling and of USBC.

Some other initiatives that have started under USBC include:

- \* Enhancing of the bowl.com Web site to make it THE place to go for bowling news
- \* Creating a new, expanded average-based awards program that guarantees more members earn awards
- \* Increasing education of association volunteers
- \* Increasing Association Relations team help for the chartering/merging process
- \* Creating the Proprietor Relations team
- \* Re-packaging USBC's major events as having something for all bowlers
- \* Creating a team of spokespeople to spread the word about high school, collegiate, youth and Sport Bowling
- \* Developing a registered volunteer program to protect the youth

- \* Developing a Parks and Recreation and summer camps program
- \* Developing Sport Bowling to where the program's lane conditions are the standard for competitive bowling
- \* Increasing System of Bowling studies as part of integrity of the game issues
- \* Creating the USBC Store, a one-stop source for USBC merchandise
- Among the planned programs USBC hopes to institute are:
- \* Increasing awareness with other youth non-sport organizations
- \* Better understand the profile of potential youth members
- \* Developing a new national youth tournament
- \* Offering more instructional opportunities for youth
- \* Partnering with the bowling proprietors to increase youth participation in youth programs
- \* Using elite athletes and celebrities to promote USBC
- \* Developing/implementing programs to prepare youth bowlers for active participation at the local, state and national levels.

All of these programs are in addition to regular USBC services such as: standardized rules and regulations, internationally-recognized official averages, awards, lane certification, league supplies, league/tournament prize fund bonding protection, eligibility to compete in local, state and national USBC championships and other USBC-certified tournaments; youth scholarship opportunities; and adult and youth leadership opportunities.

For more information on the new dues structure, visit [www.bowl.com](http://www.bowl.com).

*Editors Note: Who didn't see this coming? Now is the time for all bowlers to express their opinions on the new dues increase. Send your comments to the Bowling News by fax (562) 807-2288 or email: [news@californiabowlingnews.com](mailto:news@californiabowlingnews.com). We will be glad to publish and forward your comments.*

## Collins Denies Williams 41st!

FAIRLAWN—Chris Collins (Fayetteville, N.C.) became the fourth bowler this season to capture his first career title as he knocked off PBA Hall of Famer Walter Ray Williams Jr., 245-201, to win the 2006 Pepsi Championship at AMF Riviera Lanes in Fairlawn, Ohio.

Collins, who joined Wes Malott, Mike Machuga and Sean Rash in winning their first titles, defeated two bowlers with a combined 62 titles on Sunday. Collins took down 22-time titlist Norm Duke, 215-183, in the semis before denying Williams his 41st career title.

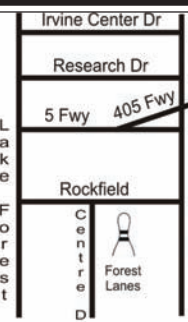

Chris Collins

Williams has now been unsuccessful in all five of his attempts to tie Earl Anthony's all-time Tour titles record. After winning the 2004 Uniroyal Tire Classic in Nov. 2004, Williams dropped his next four matches on television, all last season. He was making his first TV appearance of the season last week in Fairlawn, and looked destined to finally catch Anthony after dispatching of Steve Jaros, 247-207, in the semis.

In the title match, Williams still looked locked in with strikes in the first three frames. Things took a quick turn, however, as Williams could not figure out the left lane. Williams left a 1-2-4-10 washout in the 4th, which he picked up, but then left a 4-7-10 split in the 6th frame and opened to give Collins the lead. As Collins was striking at will, Williams again struggled on the left lane, this time leaving a 2-4-5-8 and opening as the 8-pin stood up. Collins' struck five straight times in frames 5-9 to clinch an exemption for 2006-07.

## The Citrus Belt Announces The Finalists For It's Senior Masters Championship

by Frank Weiler

RIVERSIDE—After two weekends of qualifying, the top seven qualifiers and last years Senior Masters Champion (Corky DeMaio) will compete at AMF Riverside Lanes on March 12 to determine this seasons Senior Masters Champion.

The top seven qualifiers and their five game total scratch pinfall are as follows:

1. P.J. Buckner	1155	(231.0 average)
2. Frank Weiler	1144	(228.8 average)
3. Jim Koenings	1138	(227.6 average)
4. Loda Griffin	1133	(226.6 average)
5. John Fitzgerald	1126	(225.2 average)
6. Ike Horn	1123	(224.6 average)
7. Dave Gulley	1119	(223.8 average)

Alternates are Tony De La Torre (1116) and Leon Dent (1107). Dave Gulley rolled a perfect 300 game during qualifying. He is the third keglar to bowl a perfect in the the Citrus Belt Senior Masters. Mike Turner rolled a 300 during qualifying in 2002, and Frank Weiler rolled a 300 during qualifying in 2004.

The finals will be a double elimination match play event. The champion will be the last man standing. That is, the champion will be the only finalist without two losses in match play. Each match will be a two game scratch competition between two finalists. The finalist with the highest two game pinfall wins the match.

We invite all Citrus Belt bowling fans to come out and watch the best senior bowlers in our association compete to become this seasons Senior Masters Champion, at 9 A.M. on Sunday, March 12 at AMF Riverside Lanes.

LAKESWOOD—As predicted, the league championship will spotlight Cal Bowl B team and Rossmoor B team next week, when the two teams clash on the final (Position) week of the league schedule. Team sweepstakes is slated on Monday, March 20, at Cal bowl and will be followed by optional awards luncheon at Arnold's restaurant.

Cal Bowl needs only one game to cinch the title while Rossmoor needs 3 games to win by a half game. Many other changes may occur in standings, because of so many tied positions, which may produce several changes for prize fund payoff. Twelve of the 16 teams display half games and that half game may become very important. The only teams certain to finish in their present positions will be Rossmoor A at 15th place and Cal Bowl D at 16th.

Roberta McNaught led Monday's honor roll with 224-558, followed by Doris Lewis 557, Margo McClain 539, Darlene Waken 213-530, Bernice Bennett 540, Cyndie Martin 212-527, Katrina Whitmore and Patti Givehichin tied on 520, Pris Mauricio 515, Vi Wilson 202-514, Berneice King 514, Karen Mauricio and Cil Moons tied on 508, Cathy Wyatt 506, Gladyce Perrin and Teri Hefner tied on 505, Betty Phillips 503 and Wanda Worrall 502.

A league meeting was held prior to bowling to set team sweeps rules. The 50/50 fund is highest to date and will provide paid team sweeps plus a ten place payoff of \$568. Election of officers was postponed until the July 10th 2006-2007 league meeting at Cal Bowl, however, the league maximum was voted on, due to increased averages of members, and returns to 675.

Pat Willmore visited Monday and though she could not complete the current season, following knee replacement, she is recovering and will return to bowling next season.

The Vegas league members extend congratulations to Eva Mason, LAWBA secretary, for 45 years of service. She is retiring and our league appreciates her contribution for all those years she has provided service to us by average verification, for LAWBA members that bowled in the league, and awards.

HELP: We have two openings on the bus to Vegas on March 26-27-28. Call Alice at (562) 423-1567 for more information. Bowling is optional.

NEXT WEEK: Westminster Lanes, 9:30 a.m. Monday, March 13th.

### OC Traveling Foresters Head For Westminster Lanes

LAKE FOREST — The Society of Foresters founded in Canada and United States in 1900 are still playing tenpins, donating millions to charity, taking care of their own members and here in Orange County competing in a monthly traveling league.

Last Sunday, the fraternal order were at Forest Lanes; April 2 they will visit Westminster Lanes and May 7 Yorba Linda Bowl.

Wylie's Revenge, consisting of Carol Pender, Bob Zoellner, Ginger Wright and Rae McAllister, enjoy a four point lead over Randi and the Guys, Del Krampe, Randi Krampe, Tom Ferrini and Ray Gallup.

Team Nine, the Tim, Susie, Frank Pearlman and Jon Stanley quartet and "Where Are The Spares" composed of Randy Shepherd, Andy and Dee Clayton are tied for third place.

There's plenty of evidence these Foresters have learned how to harvest and chop wood. Here's some good averages: Jason Fowler 203, Ray Gallup 200, Michael Metzinger 198, Craig Hooper 192, Rich Gilman 184, F. Pearlman 182, Eric Angeles 182, Ralph Wood 180, J. Pearlman 181, Ed Angeles 180 and Danny Martinez 180.

For more Forester information, call President Donald Williams, 714-534-4452 or Randy Shepherd 714-956-0798.

### Team 10 Takes 610 Scr. Loop Lead At Forest Lanes

LAKE FOREST — Team 10 takes Forest Lanes' nine o'clock Thursday 610 Scratch League lead with Glascock Insurance half point behind. Johnny Nguyen, Ti vo and Mike Duong, captured 15 points from Team Five while "The Insurancemen" (Kerry Berlin, Maynard Clarkson and Tracy De Vusser) nabbed 14 from Team Two.

In the overall, finale seeded team Storm/\$5,000 title race, Teams 7, 12 and Bowlers Depot have the choice spots. However, if Team 10 wins the fourth spot they would be second with 245, 26 points behind 7.

Seven's headman, Mario Marquez was the super sidepot winner, \$100 with a 244. And, the mighty mite Steve Zimmerman posted first games of 260 and 247 pocketing \$90.

Team Six's Brent Ilagan blasted a high 744 series on games of 236, 248 and 260. But, Team Four lost 11 points to Six even with Winston Armstrong posting the night's individual high game, 269 with a 659 set.

Others on the 610 honor roll: Doug Albin 257/732, 694's by

Tim Zimmerman and Danny Wilson, and Melissa Gould 193/517.

League secretary Herbert Jones says, "Tonight's title matches to watch are on lanes 31-32 between Teams 10 and 13, and The Insurancemen against Danforth Creations." Herbie added, "Come on over, watch Orange County's best compete — call 949-770-0055 for more information regarding the 610 and Saturday's 1:00 p.m. Six Gamer."

### OCBA's Open Tourney Starts March 11

### Frank "The Tank" Barefoot Jr. Leads Linder to 10-0!

by Randy Myers

**DOWNEY**—Frank Barefoot Jr. fired his way to a lot of money by leading the league with the first 700 series of the new round. Frank finished with a 268 to end the night on 700, while teammates Matt Jaime and Harry Wong Jr. chipped in with 587 and 584 respectively to sweep Linder Insurance past Pro Approach – Lakewood. Freek Racing stayed right behind Linders by doing some sweeping of their own in taking care of Overboost.com. Freek Racing was led by a pair of sixes coming from Paul Barraco 622 and Chris "Mac Daddy" Makroglous 613. Western Pacific defeated J.C. Spas 4-1 despite James Cox leading the pair with 596. Tri Star Vending squeaked out a 3-2 win over Forest Lanes with a solid team effort. David Yamauchi 594, Jon Brandon 586, and D.A. Smith 582 led Tri Star while Mike Belair was tops for Forest Lanes with 623. Tangeo.com evened up their record for the round with a 5-0 sweep of Roto Grip. Gary Duran fired 591 for Roto Grip while Tangeo got solid efforts from Nick Negrete 633 and Alex Cheesman 614.

Threadworks defeated Erickson's Food 4 to 1 as Larry Hanken rolled 607. Scott Filipi was high on the pair with 265/636 for Erickson's. Ebonite defeated Boulevard Brakes 4-1 in a low scoring match, while Leonard Ruiz Jr.'s 601 paved the way for Bowler's Depot – West Covina to post a 4-1 win over Al's Bar Supply. Family Amusement got by G.H.C. with a 3-2 win, and Clyde's Video Games

did the same to Columbia 300 with a 3-2 victory. Team Storm continued the close calls with a 3-2 over MoneyNet Residential Loans, and in the final match Prudential Real Estate was able to even their record at 5-5 with a sweep.

Side pots were monopolized by the top seed Linder Insurance, with Frank "The Tank" Barefoot Jr. taking game 1 with 241 followed by Vernon Adams with 222. Game 2 went to Frank's teammate Nick Smith with 253 and place money was taken by Jerry Ernst at 232. Frank Barefoot Jr. was again king in Game 3 as he finished with 268 to collect Game 3 and Super Pots and also take home the series pot with 700. Greg Neuer finished 2<sup>nd</sup> in Game 3 with a 215. Congratulations to all the Side Pot winners!

Well it appears the sport shot is winning so far as only Frank The Tank has managed to hit 700 and a 600 series is top ten material. Scores are down and so are the spirits of many so far, but it won't be long before we some big scores again I'm sure. With two weeks having been bowled and both divisions having seen both sides of the house, next week should bring some much needed improvement. We still have 6 weeks to go, so everyone is still in it so far, but teams need to start making their move soon. Do yourself a favor and come down to Del Rio Lanes in Downey and catch all the action. The weather may be dreary but the action should be a fury, so come down and watch it all unfold live. Thanks again.

## Brian Yamanoha Wins His First ABT Orange County Title at AMF Carter Lanes

FULLERTON — Brian Yamanoha of Torrance won his first Amateur Bowlers Tour (ABT) championship at AMF Carter Lanes on Saturday, March 4, 2006 during our one-day 4 game Beat-the-Board tournament. Brian showed up for our second squad at 2:00 PM and shot games of 267, 284, 221, and 275 with handicap good for a series total of 1047 and the \$800 dollars 1<sup>st</sup> place prize. Brian was also in the Win, Place and Show Pot for an additional \$350 dollars, to make his total for the day \$1,150 dollars. J.T. Jackson of Valley Village had a fine day shooting a 1034 four game handicap series to finish in second place for \$400 dollars. J.T. added another \$200 from being in the optional Win, Place and Show Pot, to make his total for the day \$600 dollars. In third place was Terry Hlebasko of Torrance. Terry shot a 1015 handicap series and got \$200 dollars. Terry added another \$150 from being in the optional Win, Place and Show Pot and received a total of \$350 for his efforts.

Our newest Champion, Brian Yamanoha, is 49 years old and is currently single. Brian works as an Environmental Production Technician for L3 Communications. Brian has been bowling for only 3 years and has bowled with ABT for a year. Brian never misses an ABT tournament and his previous highest finish was second place. He has a sanctioned high game of 246 and is unsure of his high series. Brian used a Lane #1 Uranium drilled at Bach Bowling Supply for his win this weekend and wanted to thank them for a fine job. Brian also wanted to thank John Grieco Sr. for bringing him into the ABT and also thanked ABT member Paul Passarino for the bowling instructional book by John Jowdy that has helped him lately. Brian plans on using his prize money to bowl in more ABT tournaments and also to go to the ABT Spring National Tournament in Las Vegas coming up this March 28<sup>th</sup> through April 2<sup>nd</sup>, 2006. He would love to win that \$40,000 First Place prize. Brian wanted to thank AMF Carter Lanes for hosting the tournament this Saturday, and also thanks the Amateur Bowlers Tour-Orange County Branch staff and Directors for running an outstanding tournament week after week. In closing, Brian mentioned how he believes league bowling conditions have gotten too easy, and he likes bowling in ABT tournaments

because it has made him a better bowler-bowling on different conditions in different centers each week.

The winner of our Scratch Sweeper was J.T. Jackson. J.T. shot a 950 four game scratch series and won \$140 for his efforts. In second, for \$70 was Michael Hanken with a 922 series. We have had many positive comments about our Scratch Sweeper and will continue to offer them at our future tournaments.

We drew the Mystery Pot of Gold game number and score after our final squad. Game #2 and 213 were drawn for this week. Two bowlers shot 213 with handicap in Game #2. Mike Malinick and Jack Donahue will be glad they made a \$5 dollar investment, because they will both receive \$250 dollars each from the Mystery Pot of Gold. The Mystery Pot of Gold carries over to our next Singles Tournament. Remember, the Mystery Pot of Gold is available to all members (Classic and Masters) and only costs \$5 for a chance at \$500 dollars.

The ABT staff and membership would like to thank the management and staff at AMF Carter Lanes for hosting our tournament last Saturday. Our next scheduled event will be this weekend, on **Saturday, March 11, 2006 at Westminster Lanes**. This will be a special 4 game Beat-the-Board **Classic and Masters Combined** Singles tournament format. All members (Classic and Masters) are eligible. Handicap will be 80% of 225 for this tournament. Special Squad times are at 12:30PM, 2:00 PM, and 4:00 PM only. We will offer **\$100 sidepots** on each squad with just 20 entrants, as well as **optional brackets** for each squad. First place will be **GUARANTEED** at \$800 dollars for only a **\$50 dollar entry fee**. We will offer an estimated 1<sup>st</sup> place of **\$1,500 dollars** with our optional Win, Place, and Show Pot and 125 entries. We recommend you arrive early (at least 1/2 hour before squad time) to guarantee your spot. We hope to see you this weekend at Westminster Lanes.

REMEMBER BOWLERS: THERE ARE ONLY TWO (2) MORE TOURNAMENTS LEFT BEFORE THE DEADLINE DATE (MARCH 18, 2006) TO QUALIFY FOR THE ABT LAS VEGAS NATIONAL TOURNAMENT AT SAM'S TOWN IN LAS VEGAS MAR 28<sup>TH</sup> - APR 2<sup>ND</sup>, 2006.

## SED Jr. Travel

by David Gordon  
DIAMOND BAR - Oak Tree Lanes played host to the SED Jr. Travel last Saturday. This is the first time SED has ever bowled at Oak Tree and the bowlers did not know exactly what to expect. But when it was all over, the general consensus was positive.

Thank you goes to the staff and management and I hope this can be the start of more visits from all of the scratch travel groups.

On the day, Brian Gonzales show us how to get it done with 246-234-210-232/922. Excellent Brian. Not to be out done by much, Bryan Osborne went 237-258/861, Eric Milne 213-228-208/841, and Michael Gaylor got over the notion of doing me bodily harm as he posted 205-206-248/833. Whew!

More high scores from the group came in from Albert Fernandez 213/771, Kevin Jones 200-214/769, J.D. Pelow 206-211/765, Marquis Brooks 225-201/746 (welcome back), Javier Hernandez 205/733, Deanna Carrillo 208/724, and Kim Ferdnace 201-203.

Now as I told the bowlers, we are going into our last three weeks, with some traditionally high scoring houses. With 21 points available per session, it's a pretty tight race of the top four teams. Git-R-Done has 293.5, Ringers 278, Chicken Pot Pie 277 and Young Guns 274. And within striking distance, given some luck, is BMB and MexiClan.

Ladies and Gentlemen, we will be at AMF Beverly Lanes this Saturday with a prompt start time of 2:00. It would be real nice to have EVERYONE in attendance.

Bowlers, heal those wounds, stop partying on Friday nights, practice and be fresh, and I hope to see you there.

## \*\*\*\*\* Girls Jr. All-Stars

by David Gordon  
CHATSWORTH - The Girls Jr. All-Stars took to the wood at AMF Rocket Lanes this past Sunday. A little bit of a struggle with the conditions on this day, but a good preview to those bowling city tournament here.

Melissa Pena led the small group that turned out with a nice 230/711 series. Lindsay Hannasch found her way to a 710 mix and Jilian Zlateff posted a 214.

With only two weeks remaining, Edison Sports Club has a demanding lead with 289 points won.

Brunswick West Covina is second at 240.5 and Keystone Lanes and Bowling News round out the field.

This coming Sunday, the ladies will be at Cal Bowl. They should know what to expect as they following the JAT Tournament of Non-Champions. Start time should be at 2:00.

Ladies, get your rest and practice in, I'll see you at Cal.

## Gable House Jr's

by Chris Graves  
TORRANCE—Welcome back to another update from the youth program that could. Hopefully everybody that bowled SED City Tournament over the weekend at AMF Bowl-O-Drome (and the previous weekend at Del Rio Lanes, now that I think of it) shot well. We'll keep you posted on things went on the home front as soon as that information becomes available. For now, let's get to this week's honor roll.

Not much to report from the "A" division of the Disney Magic league this week as there were a lot of absences. Here's what we do have: Juniors—Ian Gogue 88-174 and Stevie Marabella 82-143. Adults—Ramona Marabella 115-199.

There were also quite a few bowler missing in action for Disney Magic B. However, we still have some pretty solid scores. Juniors—Anthony Marabella 109-200, John Chesney 97-168, and Chris Sager 82-156. Adults—Kevin Shaw 203-346 and Mark Acosta 148-295.

Bowlers in the Family Feud came out firing, just like the Hatfields and McCoys. Luckily, there were plenty of high scores and considerably fewer casualties. Scott Santos took home high honors for the week with the league's lone "sixier," a 216-606 series. Tyler Cooke just missed out on 600 as he shot 223-596. Other junior scorers included Brandon Mullikin 191-557, Amanda McInerney 194-554, Talia Asato 201-522, and Kayleigh Gates 180-514. On the Adult side, we had Doug Ayers 208-548, "Coach" Randy Beigle 213-523, Kyle Masuyama 221-517, Crystal McInerney 179-501, and Wendy Cooke 159-463.

OK, so just where was everybody? A lot of absences marred the Battle of the High Schools as well. Maybe it wasn't such a bad thing as it became "Girls' Night Out" at the top of the honor roll. High scorers for the week were Shelby Goforth 198-517, Amanda McInerney 210-511, Brandon Mullikin 169-479, Andrew Fontenot 177-475, Tyler Mitchell 156-434, and Derek Bray 121-352.

Little Joshua Inouye must have channeling some NASCAR drivers, because he simply lapped the field in the Plush Pee Wees. Joshua revved up 172 and 122 games for a scorching 294 series. Nice shooting! Corey Slater added a 97-154 set to go along with Chase Chacon 80-151, Max Chacon 77-144, and Garrett Kasai 60-117.

We might as well call him "Colonel Sebastian," judging from the way that Sebastian Coronel was commanding the lanes in the Junior Jammers. He pulled down the week's high series with a fine 162-414 set. Joining him were Ryan Gabaldon 134-358, Alexis Simon 133-355, Toma Izawa 124-335, Norma Warner 101-285, Robert Sonoda 97-278, and Daniel Montoya 144-277.

Finally, it was Matthew Simon putting the pieces together in order to shoot the high set for the Classic Highs with a 211-544 series. More fine scores came from Sean Martin 205-516, Matthew Wardour 210-484, James Fiege 181-481, Thomas Williams 199-470, Jonathan Shepard 170-453, Bryan Huntelman 173-447, Brandon Mullikin 190-447, Daniel Strelitz 170-446, Jared Gabaldon 173-434, Amanda McInerney 146-422, Colleen Mae Tin 152-379, and Carolyn Yoon 126-365.

There will be plenty more to come in the coming weeks from the Gable House Junior Program. As always, we'll keep you posted as the information becomes available (or when I pry it out of Ruth...whatever comes first). Also, anyone thinking about joining a league in the Summer—Summer league schedules are now available. Grab a copy at the front desk or even check out [www.gablehousebowl.com](http://www.gablehousebowl.com) for dates and times. Have a great week everybody! See you next time around! ## Lightning Strike Twice Inside Daly City Bowling Center

DALY CITY—On Thursday night, March 2, 2006, lightning struck on lanes 39 and 40 at Serra Bowl in Daly City, California. Bowling in the Nisei Invitational, Ronnie Poligrates started the evening with the first twelve strikes in a row for a perfect 300 game. A spectacular feat in itself, Ronnie then proceeded to continue his destruction on the pins by throwing another 12 perfect shots in a row for a **second 300 game**. Back to back perfection. Two 300 games in a row. 24 consecutive strikes. Ronnie con-

cluded his evening with a 212 game to compile a massive 812 series. This is quite an accomplishment in itself averaging over 270 for the 3 game set!

Rex Golobic, owner of Serra Bowl says that after watching bowling for over 70 years, he has never seen or heard of such a spectacular display of consecutive strikes.

Ronnie Poligrates resides in San Bruno, California and works as a Events coordinator in Union City. Ronnie is 47 years old and has been bowling for 35 years. He is currently averaging 208 in the Thursday night Nisei league that bowls at Serra Bowl in Daly City. This was Ronnie's 6th and 7th 300 game of his career.

## Doody, Griffin and Gannon Capture SST Titles at Riverside Lanes

by Barb McFadden

RIVERSIDE—In a word, these guys are "AWESOME!" Last weekend at AMF Riverside Lanes, out of a field of 67 bowlers, seven Super Senior Tour bowlers had a 300 game and there were three 800 series. Is that a tournament record? Rising above the tough competition, Super Senior Vaughn Doody captured the Super Senior Title and Kevin Gannon won his second title for the year by dominating the Junior Division. Thedas R. Griffin averaged 208 for 10 games to win the new 73+ division.

**Founder of the SST, Len Miles celebrated his 73rd birthday** (Happy Birthday Len!) and Kevin Gannon beat Vaughn Doody 268-212 for bragging rights and 50 bucks in this month's King of the Hill match.

A special thank you goes to Jan and Sue Niblett of Luster Cote, Inc. for contributing \$500.00 to the prize fund. We would also like to thank Storm for their continued support and General Manager, Blake Usilton for providing a very friendly and helpful staff at AMF Riverside Lanes.

**Our next event** is scheduled for Admiral Robinson Center at the 32nd St. Naval Base, April 1/2. At first required they required that all bowlers must submit names, address, vehicle information, etc. 30 days in advance, but now if you are on the roster you can get through security. However, if you never bowled in an SST event and/or plan to bring a spouse or a guest they require their names and information a week in advance.

For tournament results, directions and entry forms you can visit the SST website at [www.superseniortour.com](http://www.superseniortour.com). If you have any questions about the SST please call Dave Gulley at (949) 677-6424.
