

# RDS Tuner & Cassette Player

## CR 5206 X - 24V

### Product Information

- 4 x 35 Watts max. Power
- Changer Control

- Programmable Steering Wheel Remote Control Interface

- Auxiliary Input
- Switchable Illumination Color

#### Programmable Steering Wheel Remote Control Interface

This programmable interface allows the operation of the head unit via the OEM steering wheel remote control of the car.

#### Changer Control

A stereo preamp input connection for VDO Dayton MP3 CD Changers, USB or iPod adaptors to enjoy even more music when driving long distances.

#### Auxiliary Input

The Aux In delivers the possibility for a convenient connection of further sources to the head unit.

#### Switchable Illumination Color

In order to achieve an optimized integration in various dashboards, you are able to switch illumination color of the head unit: Orange/Green/Dual.

#### 24 Volt

The higher operating voltage allows the installation in trucks and busses without power converters.

# RDS Tuner & Cassette Player
