**EX100** Ultimate Creative Portrait Kit

Take the plunge into chroma key photography with the EX100 Ultimate Creative Portrait Kit. It combines two basic one-monolight (100Ws) kits, each including a light stand and 4 x 24" softbox, with one white umbrella and a green screen photo kit including a 5 x 7' chroma green background. There are also grommets and hooks for hanging the screen) and software that automatically removes the green background. The software then allows you to simply drop in a distant locale or landmark background that places your subject far from where you took the photo. The software includes 720 digital backgrounds to choose from. (IMEX100UCPK).....**364.95**

**Luxbanx** Softboxes

Economical and easy to assemble softboxes for flash lighting. They feature a white interior, and include an internal and an external diffuser (both removable), which can help with refining the hard/soft ratio of your light. Optional grids can also be attached to the recessed front of the softbox via touch fasteners, which can be used to narrow down the spread of light.

24 x 32" Softbox

Designed for use with standard monolights, with the use of a matching speed ring. Features a beaded silver interior, and its front face can be removed for easy access to the light and the interior baffle from the front. Also provides the option of shooting without the front face for an increased output, more specular quality of light. It includes a Bownens type speed ring, so that it is directly compatible with current Bownens and Impact monolights (except the 100EX). #IMSB2432.....**64.95**

**Quikbox** Softboxes

The Impact Quikbox Softbox is a great way to soften the output of your studio or battery powered flash. Quikbox pops open and assembling in a minute or two. Just open the softbox, add the diffusers and the required speed ring that fits your strobe, mount it on a light stand and you're ready to shoot.
